

Senior Design Bi-Weekly Status Report 4; Fall 2020

Report Period: Sept 28 – Oct 11

Team: sdmay21-51

- Steven Sheets, Logan Anderson, Nicholas Heger, James Volpe, Jared Weiland

Advisor: Dr. Goce Trajcevski

Summary of Progress in this Period:

- Submitted Design Document v1 assignment on Canvas.
- Met to work on the Reflection: Areas of Professional Responsibility assignment. Completed it, with a lot of good discussion and analysis as to how we are progressing through the project.
- On the 8th, met with Goce to discuss areas of improvement in the first version of the Design Document, and was assigned to answer some technical questions for him in the form of a presentation.
- Met to create this presentation. On the 15th, shared this with Goce and it led to a far better understanding and confidence with how we were doing.
 - He still has a few points of clarification that we've been assigned to complete for next week. The *purpose* of this is to result in a better Design Document.

Pending Issues:

- None, all issues that needed to be addressed have been resolved for this reporting period.

Plans for Upcoming Reporting Period:

- Clarify Goce's questions for the Slides presentation we created for him.
- Use this to complete the Design Document v2 assignment.
